COURSE GUIDE

Community College, Four-Year and Graduate Offerings

IMPORTANT: ALL STUDENTS MUST ACTIVATE THEIR EMAIL ACCOUNTS.

All students have email accounts established when they register for one or more classes at the **University of the District of Columbia**. This email account will be used by faculty to contact students enrolled in their classes and for college staff to inform students of important announcements. Student email accounts are Web-based and can be accessed from any computer with an Internet connection.

The format of the email address is **firstname.lastname@udc.edu**. Occasionally, we have students sharing the same username. When this happens, the username (firstname.lastname) is suffixed with a number like: **firstname.lastname2** or **firstname.lastname3**. The username portion of the email address can be used to access Blackboard and Wireless connections.

Once issued, email accounts must be activated by the student. For detailed instructions on how to retrieve and activate your student email and access your account, please visit **my.udc.edu**.

To access the email, please visit **www.udc.edu/mail**. The username is **firstname.lastname@udc.edu** and the initial password is your student ID number.

If you need assistance with your email, please visit the Help Desk in Building 41, A Level, or send email to **support@udc.edu**.

IMPORTANT: ALL STUDENTS MUST ACTIVATE THEIR EMAIL ACCOUNTS

All students have email accounts established when they register for one or more classes at the University of the District of Columbia. This email account will be used by faculty to contact students enrolled in their classes and for college staff to inform students of important announcements. Student email accounts are Web-based and can be accessed from any computer with an Internet connection.

The format of the email address is `firstname.lastname@udc.edu`. Occasionally, we have students sharing the same username. When this happens, the username (`firstname.lastname`) is suffixed with a number like: `firstname.lastname2` or `firstname.lastname3`. The username portion of the email address can be used to access Blackboard and Wireless connections.

Once issued, email accounts must be activated by the student. For detailed instructions on how to retrieve and activate your student email and access your account, please visit my.udc.edu.

To access the email, please visit www.udc.edu/mail. The username is `firstname.lastname@udc.edu` and the initial password is your student ID number.

If you need assistance with your email, please visit the Help Desk in Building 41, A Level, or send email to support@udc.edu.

VACCINATIONS/IMMUNIZATIONS

D.C. Immunization Law and the University requires all students, effective February 3, 2015, who are enrolled in the community college or university, to submit proof of immunization as follows:

- Two (2) doses of Measles, Mumps and Rubella Vaccines (MMR) or a positive blood test for MMR.
- One (1) booster for Tetanus/Diphtheria (Td) within the last 10 years.
- Three (3) doses of Hepatitis-B Vaccines or a positive blood test for Hepatitis-B.

- One (1) Meningococcal Vaccine within the last 5 years. Starting Fall 2015 all students will be required to have the Meningococcal vaccine prior to registering for classes.

Students under the age of 18 must also show proof for Polio immunization. Unless you submit all information to University Health Services (UHS) or submit verification that you are undergoing immunization, you will not be able to register for coursework at the University or community college. Possible places for retrieving your immunization records may be your private physician's office, military records, the local health department or your high school. All records must be written in English. Health professions students preparing for clinical rotations are required to show proof of immunizations and free of other specific communicable diseases.

If you are missing any of the above vaccines, please obtain that vaccine(s) from your private physician or community health center. You may also visit University Health Services at the Van Ness Main campus to obtain vaccinations for a fee considerably less than other clinics and health retailers. Students covered by the student health insurance plan are eligible for all vaccines at no cost.

All records are kept confidential and can be securely faxed to: 202.274.5411. Please be sure to include your UDC student ID number on your records whenever possible. For further information, call University Health Services 202.274.5030 between 8:30 AM and 5:00PM, Monday through Friday.

STUDENT INSURANCE COVERAGE

The University is proud to offer you student health and accident insurance for the 2015-2016 academic year through United Health Care Student Resources. Since health insurance coverage is mandatory by U.S. law, students are automatically enrolled in the United Health Care Student Resources insurance plan when registering for classes. If you have your own insurance you can submit your health insurance information to receive a waiver from the student health plan. Insurance waivers are subject to your health insurance plan meeting a set criteria which aligns with the requirements for the U.S. Law - Affordable Care Act of 2010. The waiver criteria can be found by visiting http://www.udc.edu/health_services/waiver_criteria .

Students should be prepared, at the time of registration, to pay the insurance fee and receive a credit to their student account after their waiver is approved (about 2–3 weeks after the add/drop period).

During registration students should visit http://www.udc.edu/health_services/student_health_insurance_plan from any computer to find information about the student health plan and the waiver process to show proof of comparable insurance.

3. Proceed to Administration Bldg. 39, 2nd floor Cashier's Office to complete the payment process.

Exception: Students seeking entry to a closed class must obtain permission from the department chairperson of the department offering the course. Upon approval, the chairperson will facilitate the registration of class (es).

SPECIAL REQUESTS

Independent Study: Students who wish to enroll in independent study courses must have the approval of the academic department. Qualified students are second-year in associate degree programs and junior or senior students in baccalaureate degree programs, who are in good academic standing at the University and who have demonstrated their academic ability by attaining a minimum 2.8 or better cumulative GPA. Graduate students must have completed a minimum of 15 semester hours with a 3.0 cumulative GPA.

AUDITING COURSES

Audited courses are charged at the same rate as courses taken for credit and must have the appropriate instructor's or department chairperson's approval. The grade type for audited courses is "AU."

REQUEST TO REPEAT A COURSE

Students who wish to improve their cumulative grade point average (CGPA) by repeating a course for which they have earned a grade may do so by reregistering and paying for the course. Although the lower grade remains a part of the student's permanent record, only the higher grade is computed into the CGPA.

CONCURRENT ENROLLMENT POLICY

Students enrolled at the University who intend to take courses at other colleges and universities and earn transfer credits for these courses at the University must submit a Concurrent Enrollment Approval Form and receive approval from the registrar prior to enrolling in the courses (enrollment through the Consortium of Universities is not considered concurrent enrollment).

Students seeking to earn General Education or elective (outside of the major) transfer credit must receive approval from the registrar for concurrent enrollment. Students seeking to earn credit towards required major or elective courses must receive approval from the chair of the department in which their declared major is offered in addition to the registrar. Failure to receive prior electronic or written approval for concurrent enrollment will result in denial of transfer credit consideration. Current UDC students who desire to enroll concurrently in UDC and at another institution and earn transfer credit towards an associate, bachelor's or master's degree must meet the following eligibility criteria:

- Have completed a minimum of 15 credit hours (associate's and bachelor's) and 9 credit hours for graduate students
- Be in good academic and financial standing
- Have prior approval for earning credits at another institution while enrolled at UDC (concurrent enrollment approval)

The University will only approve transfer credits earned at other colleges/universities through concurrent enrollment that meet the criteria outlined under Transferring Credit to UDC. Students must submit an official transcript from the university in which the credits were earned, to the Office of Admissions, to ensure that the credits earned comply with the transfer credit criteria identified above and are officially applied towards their credits earned toward graduation.

CREDIT BY EXAMINATION

Students may receive credit for specific courses when they successfully complete a departmental examination and are approved by the appropriate chairperson/dean. The following rules apply:

Students must receive prior permission from the chairperson of the department offering the course.

After registration begins, and before the midterm grading period in the semester the examination is to be administered, the student must submit the approved Credit by Exam form to the Office of the Registrar (Administration Bldg. 39, A level, Room A-135).

Students seeking credit by examination must be currently enrolled in a degree program and be in good academic standing. Students may seek credit by examination only for courses in which the student has **never** enrolled, and the examination may be taken only once per course.

Students may not be registered for the maximum number of hours for the term in which credit by examination is requested.

A fee of \$50.00 per credit hour and any additional tuition must be paid prior to the administration of the examination.

The examination must be administered before the end of the final examination period, listed in the Academic Calendar, for the semester the credit by examination was administered.

Upon successful completion of the examination, the credit must be approved by the department chairperson and the dean.

The grade earned through the credit by examination process must be submitted to the Office of the Registrar by the end of the Final Examination period, listed in the Academic Calendar, for the semester the credit by examination was administered. Credit earned by examination will appear on the students' transcripts as "CR" and will not be included in computing the GPA.

WITHDRAWAL FROM A COURSE

A student may officially withdraw from a class without penalty prior to the date posted in the current academic calendar. When such a withdrawal is processed officially (online or by reporting to the Office of the Registrar to complete the Course Withdrawal Form), a "W" grade will be entered on the student's academic transcript. If the student stops attending class or fails to withdraw officially, a failing grade may be given. All students applying for or receiving any form of financial aid must report any course withdrawal to the Office of Financial Aid as their current or future eligibility may be affected.

TOTAL WITHDRAWAL PROCEDURES

Students wanting to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period) must do so by submitting the Total Withdrawal Form to the Office of the Registrar:

Main Campus: Administration Bldg. 39, A level, Room A-135
Community College: 801 North Capitol St. N.E.

Withdrawals do not affect the cumulative GPA but will affect academic suspension/dismissal. All students applying for or receiving any form of financial aid must report any withdrawals to their financial aid officer, as their current and future eligibility may be affected.

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date the Total Withdrawal Form is submitted to the Office of the Registrar.

The University does not assess a total withdrawal fee.

***A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY
MUST APPLY FOR READMISSION TO THE UNIVERSITY***

GRADES

Grades are available online only. To access your grades go to myUdc.edu.

COMMUNITY COLLEGE/FLAGSHIP CROSS REGISTRATION

Students admitted to the Community College are restricted to Community College courses, and pay Community College fees.*

Students admitted to the Flagship University are restricted to Flagship University courses, and pay Flagship University fees.*

Graduate courses are restricted to graduate level students. Further, regardless of the level of the course taken by graduate level students, graduate fees are assessed.

***Exceptions to the above must be justified, in writing, by the appropriate deans.**

APPLICATION FOR GRADUATION

Students who expect to complete their academic degree requirements during the current semester should submit an Application for Graduation to the Office of the Registrar on or before the deadline indicated in the academic calendar and pay the required \$125 commencement fee in the cashier's office. However, the submission of an application does not guarantee graduation. Only those students who have met "all" academic requirements and who have satisfied "all" financial obligations will be cleared for graduation. In the event that a student does not complete graduation requirements

in the designated term, a new Application for Graduation must be submitted for the term when all requirements have been met; no additional fee is required. Students are strongly encouraged to meet with their academic advisor each semester to ensure that academic requirements are being met for the degree objective pursued and that they are on target to graduate.

FINANCIAL AID

You are able to check your financial aid status online via **myUdc.edu**.

You must have your User ID number and PIN (birthday—two-digit month, day and year) in order to access your account.

PAYING FOR CLASSES

You are able to pay for your classes online. Once you have completed your registration for classes, there will be a “Pay Online” button, which will direct you to the secured payment site. (If an ID and password are requested, please use your Banner ID and password to log into the payment site.) You may also pay your bill at the cashiers office located on the main campus (Administration Bldg. 39, 2nd Fl.) No need to stand in the financial aid line! Enjoy the flexibility of online access! If you are eligible for financial aid and funds have not posted, report to the Office of Financial Aid.

Deadline date to pay for first Summer Session classes - May 22, 2015.

Deadline date to pay for second Summer Session classes - July 6, 2015

ACADEMIC GOOD STANDING FOR ALL FINANCIAL AID APPLICANTS & RECIPIENTS

1. Students Who Have applied for and/or received Aid

Students who have applied for financial aid but have not received a response for a valid Student Aid Report (SAR) should come to the Financial Aid Office to check their status. Failure to do so will cause your classes to be dropped for nonpayment if you have not made other arrangements with Student Accounts to pay your bill. All students who have received an award letter should review their bill to make sure that the financial aid on the financial statement agrees with the amount on the award letter. After registration, notify your financial aid counselor of any discrepancies. If you have your award letter, you do not need to contact the Financial Aid Office during the registration period.

2. Satisfactory Academic Classes

All undergraduate and graduate students who apply for financial aid will have their academic standards evaluated in accordance with the SAP policy, which is viewable and can be printed from the Financial Aid UDC website. Copies of the policy are available in the Financial Aid Office. Students who fail to meet the minimum standards could be in jeopardy of losing their financial aid.

3. Policy for Withdrawal and Unofficial Withdrawals

If you totally withdraw from school, the law states that the amount of Federal Student Aid Assistance you have “earned” up to the point of withdrawal must be determined by a specific formula. If you received more assistance than you earned, the excess funds must be returned. An unofficial withdrawal is when you stop attending classes and do not complete the Withdrawal Form in the Registrar’s office located in Administration Bldg. 39, Room A-135. The amount of assistance you have earned is determined on a pro-rata basis. That is, if you completed 30 percent of the payment period or five weeks of classes, you earned 30 percent of the assistance you were originally scheduled to receive. The unearned portion must be repaid by the student. If you do not repay these funds to the University, you will be barred from the next registration period. Students who complete at least 60 percent of the payment period or 10 weeks of the semester earned the amount of the financial aid award. For additional information on this policy, please call 202.274.5060 or come to the Financial Aid Office in the Administration Bldg. 39, Room A-111.

4. Nonattendance

Any student who has unofficially withdrawn* from the University and is a recipient of federal financial aid will be placed in overpayment status for the financial aid received. If a student stops attending class, the student must contact the Registrar’s office to officially withdraw and notify the Financial Aid Office.

**Student who registers for classes but does not attend*

REFUND AND RETURN OF TITLE IV FUNDS

PURPOSE: The purpose of this instructional notice is to state the University’s institutional policies and procedures, as well as the Federal guidelines, pertaining to the refund and return of Title IV funds.

Pursuant to Section 485 of the Higher Education Amendments of 1998 (P.L.105-244)

BACKGROUND: The federal guidelines for Title IV funds require that if a student withdraws or is expelled from the University that he may be required to return all or a portion of the federal Title IV funds awarded to him. If a recipient of Title IV aid (Pell grant, Supplemental Educational Opportunity grant, D. C. Leveraging Educational Assistance Partnership Program (formerly SSIG), National Direct Student Loan, Family Educational Loan Subsidized and Unsubsidized) withdraws during a payment period (i.e., a period of enrollment), the University must calculate the amount of Title IV aid the student earned. Unearned Title IV funds must be returned to the Title IV programs.

PROCEDURES: Official Withdrawal Process

Students wanting to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period) must do so by submitting the Total Withdrawal Form to the Office of the University Registrar (Administration Bldg. 39, Room A-135).

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online. The University does not assess a total withdrawal fee.

**A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY
MUST APPLY FOR READMISSION TO THE UNIVERSITY.**

University's Responsibility to Return Title IV Funds and Order of Return

RETURN POLICY: After notification by a student of his or her withdrawal from the University, the Office of Financial Aid has:

- 45 days to return Title IV funds
- 45 days to notify a student of grant overpayment requirements
- 45 days to notify a student of eligibility for post withdrawal disbursement
- 90 days to send post-withdrawal disbursement to a student and/or parent

The University assesses tuition, fees and books as allowable institutional charges in the calculation of the return of Title IV funds.

A student who totally withdraws from the University and receives a refund check may be in an overpayment status.

Order of Return Policy:

The University returns the lesser of unearned Title IV Aid or the University charges for the period times the percentage of Title IV aid that was unearned. The University must return Title IV funds to the programs from which the student received aid in the following order, up to the net amount disbursed from each source:

- Unsubsidized Family Educational Loan
- Subsidized Family Educational Loan
- Perkins loan
- PLUS loan
- Federal Pell grant
- Federal Supplemental Educational Opportunity grant
- Other assistance under Title IV

Students' responsibility to return Title IV funds: The student must return funds to the Title IV fund from which they were received. The student must return the net amount disbursed from each funding source. A student is required to repay 50 percent of the grant assistance he or she received.

The student (or parent, if a federal PLUS loan) returns funds to the loan programs in accordance with the terms of the loan and to grant programs as an overpayment. In other words, the student will be repaying any unearned loan funds in the same manner that he or she will be repaying earned loan funds. Grant overpayments are subject to a repayment arrangement satisfactory to the University or overpayment collection procedures prescribed by the secretary of the Department of Education.

NOTE: The student automatically retains eligibility for Title IV assistance for 45 days after the University sends the notification of a grant overpayment and request for repayment arrangements to the student.

Procedures for collection of payment to student: The student will be notified in writing within 30 days of the date of the University's determination that the student withdrew and a grant overpayment is due.

The following repayment options are available:

- A) Pay in full within 45 days.
- B) Establish repayment arrangements with the University.
- C) Establish repayment arrangements with the Department of Education.

If the student defaults in the repayment agreement, the University will report within 30 days to the Department of Education and National Student Loan Data System (NSLDS) that the student is in overpayment status.

Students requesting additional information should contact the Office of Financial Aid, Administration Bldg. 39, Room A - 133, or call 202.274.5060.
