WELCOME TO YOUR UNIVERSITY

You are part of a renaissance in the life of the University System of the District of Columbia. UDC continues to offer one of the best, most affordable educational opportunities for your future.

We are standing at a very unique time in our history. It is a time that has seen the birth of our new Community College, providing an educational bridge from secondary to higher

education and workforce development for a group of Washingtonians that have, in the past, been excluded from higher education. It is a time that has seen our institution adopt an international focus, bringing the resources, the talent and the attention of the world to our campus. It is a time in which our community realizes the importance of having, right here at home, the only urban land grant University in the United States—serving as a significant economic engine for our city.

In this guide is a menu of sorts—a palette from which you will color your future and your career. The choices you make will have a lasting impact as you move from this experience into the professional world. As you accomplish this, you can be sure we are always interested in your thoughts and ideas on how we can continue to improve our service to you.

Please take a moment and visit us at www.udc.edu. There, you will find the ability to communicate and interact with the administration as well as a resource for a vast array of online services.

Congratulations on choosing the UDC System!
My very best to you!

Dr. Allen L. Sessoms, president
University System of the District of Columbia

ENGLISH AS A SECOND LANGUAGE

Intensive courses in English as a second language are available for students whose primary language is not English. Admission to the program requires taking the Test of English as a Foreign Language (TOEFL), and the student's score determines placement at one of the four sequential levels. Students who score at least 550 on the written TOEFL, 213 on the computerized TOEFL, or 79 on the Internet-based TOEFL are not required to take ESL courses; however, they must take the ACCUPLACER (placement test) before registering for courses. For additional information regarding the English as a Second Language program, contact the program coordinator, Dr. Fullas Hailu, at 202.274.5556, Building 41, Room 426-02.

CONSORTIUM OF UNIVERSITIES

The University of the District of Columbia is an affiliate of the Consortium of Universities of the Washington Metropolitan Area. Other affiliates are The American University, The Catholic University of America, Corcoran College of Art+Design, Gallaudet University, George Mason University, The George Washington University, Georgetown University, National Defense Intelligence College, Howard University, Marymount University of Virginia, National Defense University, Southeastern University, Trinity University and University of Maryland (College Park Campus). Students enrolled at UDC may be eligible to take courses at any of the member institutions. Courses taken through the Consortium must be required for your program of study and not offered in the given semester at UDC. Students are limited to six hours per semester through the Consortium. However, graduate students who have previously been granted nine transfer credits from non-Consortium schools may enroll and receive resident credit in only one of the Consortium institutions. Students are not eligible to take certification courses through the Consortium. To be eligible for participation in the Consortium, students must:

1. be enrolled in a degree-granting program and be registered for the current semester at UDC;
2. have approval from an academic major department and the dean;
3. be in good academic standing with a cumulative GPA of 2.0 (3.0 GPA for graduate students);
4. be in good financial standing at the University of the District of Columbia; and
5. have completed a specified portion of their academic program—30 semester hours for students in associate degree programs; 60 semester hours for students in bachelor degree programs; and graduate students should have completed 50 percent of their academic program.

Registration forms and instructions are available from the University Consortium registration coordinator in the registrar's office. The student must pay UDC tuition and fees for the current semester before becoming eligible to attend institutions of

the Consortium. Official registration in the University of the District of Columbia is a prerequisite for the Consortium registration. Forms may be obtained from the coordinator during registration in Building 39, Room A08.

CONCURRENT ENROLLMENT POLICY

Students enrolled at the University of the District of Columbia who wish to take courses in other colleges and universities for transfer credit to UDC must receive prior approval, in writing, from the department chair and dean of the college. This written authorization must be submitted to the UDC registrar. Credit will be denied if prior approval is not officially documented. Students must be in good academic and financial standing at UDC. Enrollment through the Consortium is not considered concurrent enrollment.

SENIOR CITIZENS

Tuition and fees normally required for students admitted to the University will be waived for qualifying senior citizens, 65 years of age or older, except in cases where the applicant matriculates in a degree program. Such matriculating students shall pay half of the amounts set for students within their category unless otherwise deferred or waived by specific board of trustees authority. For further information, please contact The Institute of Gerontology, 410 8th St. NW, 202.274.5533.

APPLICATION FOR GRADUATION

Students who expect to complete their academic degree requirements during the current semester should submit an Application for Graduation to the Office of the Registrar on or before the deadline indicated in the academic calendar and pay the required \$125 commencement fee in the cashier's office. However, the submission of an application does not guarantee graduation. Only those students who have met "all" academic requirements and who have satisfied "all" financial obligations will be cleared for graduation. In the event that a student does not complete graduation requirements in the designated term, a new Application for Graduation must be submitted for the term when all requirements have been met; no additional fee is required. Students are strongly encouraged to meet with their academic advisor each semester to ensure that academic requirements are being met for the degree objective pursued and that they are on target for graduation.

WITHDRAWAL FROM A COURSE

A student may officially withdraw from a class without penalty prior to the date posted in the current academic calendar. When such a withdrawal is processed officially and filed with the Office of the Registrar, a grade of "W" will be entered on the student's transcript. If the student stops attending class or fails to file the Request Drop Form on time, a failing grade may be given. All students applying for or receiving any form of financial aid must report any withdrawals to the Financial Aid Office as their current or future eligibility may be affected. Withdrawal forms are available in the registrar's office, Building 39, Room A-08.

TOTAL WITHDRAWAL PROCEDURES

Students may use one of the following options to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period):

- 1) Submit the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-08)
- 2) Submit the Total Withdrawal Form online (Web4Students.udc.edu)

Withdrawals do not affect the cumulative GPA but will affect academic suspension/dismissal. All students applying for or receiving any form of financial aid must report any withdrawals to their financial aid officer, as their current and future eligibility may be affected.

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.

CREDIT BY EXAMINATION

Students may receive credit for coursework upon successful completion of a departmental examination and approval of the appropriate dean.

Students seeking credit by examination must receive prior permission from the chairperson of the department offering the course. Once the appropriate forms are completed and signed, students must pay \$50.00 per credit hour plus all additional tuition and fees up to the maximum payment.

DECLARATION AND CHANGE OF MAJOR

Students wishing to declare or change a major course of study must obtain the approval of the new department chairperson as well as the release of the former department chairperson. All students receiving or applying for financial aid must have a declared major on file with the registrar's office.

CHANGE OF PERSONAL INFORMATION

All changes of personal information must be reported in writing to the registrar's office, Building 39, Room A-08. Change of name, Social Security number or birth date must be accompanied by acceptable documentation verifying the correct information at the time the request is made. All students receiving or applying for financial aid must report all changes regarding their address in writing to the Financial Aid Office.

ACADEMIC GOOD STANDING FOR ALL FINANCIAL AID APPLICANTS & RECIPIENTS

1. Students Who Have Applied for and/or Received Aid

Students who have applied for financial aid but have not received a response for a valid Student Aid Report (SAR) should come to the Financial Aid Office to check their status. Failure to do so will cause your classes to be dropped for nonpayment if you have not made other arrangements with Student Accounts to pay your bill. All students who have received an award letter should review their bill to make sure that the financial aid on the financial statement agrees with the amount on the award letter. After registration, notify your financial aid counselor of any discrepancies. If you have your award letter, you do not need to contact the Financial Aid Office during the registration period.

2. Satisfactory Academic Classes

All undergraduate and graduate students who apply for financial aid will have their academic standards evaluated in accordance with the SAP policy, which is viewable and can be printed from the Financial Aid UDC Web site. Copies of the policy are available in the Financial Aid Office. Students who fail to meet the minimum standards could be in jeopardy of losing their financial aid.

3. Policy for Withdrawal and Unofficial Withdrawals

If you totally withdraw from school, the law states that the amount of Federal Student Aid Assistance you have "earned" up to the point of withdrawal must be determined by a specific formula. If you received more assistance than you earned, the excess funds must be returned. An unofficial withdrawal is when you stop attending classes and do not complete the Withdrawal Form in the registrar's office located in Building 39, Room A-08. The amount of assistance you have earned is determined on a pro-rata basis. That is, if you completed 30 percent of the payment period or five weeks of classes, you earned 30 percent of the assistance you were originally scheduled to receive. The unearned portion must be repaid by the student. If you do not repay these funds to the University, you will be barred from the next registration period. Students who complete at least 60 percent of the payment period or 10 weeks of the semester earned the amount of the financial aid award. For additional information on this policy, please call 202.274.5060 or come to the Financial Aid Office in Building 39, Room 101.

4. Nonattendance

Any student who has unofficially withdrawn* from the University and is a recipient of federal financial aid will be placed in overpayment status for the financial aid received. If a student stops attending class, the student must contact the registrar's office to officially withdraw and notify the Financial Aid Office.

(*Student who registers for classes but does not attend.)

REFUND AND RETURN OF TITLE IV FUNDS

PURPOSE: The purpose of this instructional notice is to state the University's institutional policies and procedures, as well as the Federal guidelines, pertaining to the refund and return of Title IV funds.

Pursuant to Section 485 of the Higher Education Amendments of 1998 (P.L.105-244)

Section 484B of the HEA of 1965, amended _ Statute enacted October 7, 1998 _ NPRM PUBLISHED August 6, 1999 _ Final Regulations published November 1, 1999

BACKGROUND: The federal guidelines for Title IV funds require that if a student withdraws or is expelled from the University that he may be required to return all or a portion of the federal Title IV funds awarded to him. If a recipient of Title IV aid (Pell grant, Supplemental Educational Opportunity grant, D. C. Leveraging Educational Assistance Partnership Program (formerly SSIG), National Direct Student Loan, Family Educational Loan Subsidized and Unsubsidized) withdraws during a payment period (i.e., a period of enrollment), the University must calculate the amount of Title IV aid the student earned. Unearned Title IV funds must be returned to the Title IV programs.

PROCEDURES: Official Withdrawal Process

Students may use one of the following options to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period):

- 1) Submit the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-08)
- 2) Submit the Total Withdrawal Form online (Web4Students.udc.edu)

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.

University's Responsibility to Return Title IV Funds and Order of Return

RETURN POLICY: After notification by a student of his or her withdrawal from the University, the Office of Financial Aid has:

- 45 days to return Title IV funds
- 45 days to notify a student of grant overpayment requirements
- 45 days to notify a student of eligibility for post withdrawal disbursement
- 90 days to send post withdrawal disbursement to a student and/or parent

The University assesses tuition, fees and books as allowable institutional charges in the calculation of the return of Title IV funds.

A student who totally withdraws from the University and receives a refund check may be in an overpayment status.

Order of Return Policy:

The University returns the lesser of unearned Title IV Aid or The University charges for the period times the percentage of Title IV aid that was unearned. The University must return Title IV funds to the programs from which the student received aid in the following order, up to the net amount disbursed from each source:

- Unsubsidized Family Educational Loan
- Subsidized Family Educational Loan
- Perkins loan
- PLUS loan
- Federal Pell grant
- Federal Supplemental Educational Opportunity grant
- Leveraging Educational Assistance Partnership Program (ACG/SMART grants) formerly SSIG
- Other assistance under Title IV

Students' responsibility to return Title IV funds: The student must return funds to the Title IV fund from which they were received. The student must return the net amount disbursed from each funding source. A student is required to repay 50 percent of the grant assistance he or she received.

The student (or parent, if a federal PLUS loan) returns funds to the loan programs in accordance with the terms of the loan and to grant programs as an overpayment. In other words, the student will be repaying any unearned loan funds in the same manner that he or she will be repaying earned loan funds. Grant overpayments are subject to a repayment arrangement satisfactory to the University or overpayment collection procedures prescribed by the secretary of the Department of Education.

NOTE: The student automatically retains eligibility for Title IV assistance for 45 days after the University sends the notification of a grant overpayment and request for repayment arrangements to the student.

Procedures for collection of payment to student: The student will be notified in writing within 30 days of the date of the University's determination that the student withdrew and a grant overpayment is due. The following repayment options are available:

- A) Pay in full within 45 days.
- B) Establish repayment arrangements with the University.
- C) Establish repayment arrangements with the Department of Education.

If the student defaults in the repayment agreement, the University will report within 30 days to the Department of Education and National Student Loan Data System (NSLDS) that the student is in overpayment status.

Students requesting additional information, should contact the Office of Financial Aid, Building 39, Room 101, or call 202.274.5060.

Students, faculty and staff who choose not to purchase a seasonal parking permit must pay the \$3.50/day rate and must present a valid (student, faculty or staff) ID. All others must pay the \$8.00/day rate. A valid parking permit (or daily pass) is required at all times. Parking permits may be purchased at the cashier's office, located in Building 39, Room 201. The cashier's office is open for business Monday through Friday from 8:30 AM–5 PM. 3. The right to limit disclosure of education records.
4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by the institution to comply with the requirements of FERPA and the regulations. The complaint should be in writing and contain specific allegations of fact. The complaint should be sent to:

Family Policy Compliance Office
U.S. Department of Education
