**IMPORTANT: ALL STUDENTS MUST ACTIVATE THEIR EMAIL ACCOUNTS**

All students have email accounts established when they register for one or more classes at either **University of the District of Columbia** or **Community College**. This email account will be used by faculty to contact students enrolled in their classes and for college staff to inform students of important announcements. Student email accounts are Web-based and can be accessed from any computer with an Internet connection.

The format of the email address is **firstname.lastname@udc.edu**. Occasionally, we have students sharing the same user name. When this happens, the username (firstname.lastname) is suffixed with a number like: firstname.lastname2 or firstname.lastname3. The username portion of the email address can be used to access Blackboard and Wireless connections.

**Once issued, email accounts must be activated by the student.** For detailed instructions on how to retrieve and activate your student email and access your account, please visit **stu.in.udc.edu**.

To access the email, please visit **owa.udc.edu**. The user name is smartchoice\firstname.lastname and the initial password is your student ID number.

If you need assistance with your email, please visit the Help Desk in Building 41, Room 316 or send email to **support@udc.edu**.

## COURSELOAD LIMITATIONS

Full-time students in good academic standing may enroll for a maximum of 18 semester hours. Permission to exceed this limit, up to a maximum of 21 hours, must be obtained from the dean of the college in which the student is enrolled. Students on academic probation are required to be part-time students until reinstated to good academic standing. They may take no more than 9 semester hours for the fall semester or 10 semester hours with permission from the dean.

## ADD/DROP PROCEDURES

A student who finds it necessary to change their schedule may do so either online (continuing students) or by visiting their academic advisor. A \$10 Add/Drop fee is charged for each successful transaction after the regular registration period. A course may be added only during the period designated as Add/Drop. In order to add or drop a course, do the following:

**Independent Study:** Students selecting independent study courses must have the Independent Study Registration form completed, inclusive of the dean's stamp and signature. Qualified students are second-year in associate degree programs and junior or senior students in baccalaureate degree programs who are in good academic standing at the University and who have demonstrated their academic ability by attaining a minimum 2.8 or better cumulative GPA. Graduate students must have completed a minimum of 15 semester hours with a cumulative GPA of 3.0.

**Auditing Courses:** Audited courses are charged at the same rate as courses taken for credit and must have the appropriate instructor's or department chairperson's approval. The grade type for audited courses is "AU."

## REQUEST TO REPEAT A COURSE

Students who wish to improve their cumulative grade point average (CGPA) by repeating a course for which they have earned a grade may do so by re-registering and paying for the course. Although the lower grade remains a part of the student's permanent record, only the higher grade is computed into the CGPA.

## CONCURRENT ENROLLMENT POLICY

Students enrolled at the University of the District of Columbia who wish to take courses in other colleges and universities for transfer credit to UDC must receive prior approval, in writing, from the department chair and dean of the college. This written authorization must be submitted to the UDC registrar. Credit will be denied if prior approval is not officially documented. Students must be in good academic and financial standing at UDC. Enrollment through the Consortium is not considered concurrent enrollment.

## CREDIT BY EXAMINATION

Students may receive credit for coursework upon successful completion of a departmental examination and approval of the appropriate dean.

Students seeking credit by examination must receive prior permission from the chairperson of the department offering the course. Once the appropriate forms are completed and signed, students must pay \$50.00 per credit hour plus all additional tuition and fees up to the maximum payment.

## WITHDRAWAL FROM A COURSE

A student may officially withdraw from a class without penalty prior to the date posted in the current academic calendar. When such a withdrawal is processed officially and filed with the Office of the Registrar, a grade of “W” will be entered on the student’s transcript. If the student stops attending class or fails to file the Request Drop Form on time, a failing grade may be given. All students applying for or receiving any form of financial aid must report any withdrawals to the Financial Aid Office as their current or future eligibility may be affected. Withdrawal forms are available in the registrar’s office, Building 39, Room A-12.

## TOTAL WITHDRAWAL PROCEDURES

Students wanting to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period) must do so by submitting the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-12).

Withdrawals do not affect the cumulative GPA but will affect academic suspension/dismissal. All students applying for or receiving any form of financial aid must report any withdrawals to their financial aid officer, as their current and future eligibility may be affected.

**DETERMINING THE WITHDRAWAL DATE:** The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

**A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.**

## GRADES

Grades are available online only. To access your grades go to [www.udc.edu/myUDC](http://www.udc.edu/myUDC).

## COMMUNITY COLLEGE AND UNIVERSITY CROSS REGISTRATION

Special permission from appropriate academic dean is necessary for CC students to take courses in the University and, conversely, for University students to take courses offered in the CC.

## APPLICATION FOR GRADUATION

Students who expect to complete their academic degree requirements during the current semester should submit an Application for Graduation to the Office of the Registrar on or before the deadline indicated in the academic calendar and pay the required \$125 commencement fee in the cashier’s office. However, the submission of an application does not guarantee graduation. Only those students who have met “all” academic requirements and who have satisfied “all” financial obligations will be cleared for graduation. In the event that a student does not complete graduation requirements in the designated term, a new Application for Graduation must be submitted for the term when all requirements have been met; no additional fee is required. Students are strongly encouraged to meet with their academic advisor each semester to ensure that academic requirements are being met for the degree objective pursued and that they are on target for graduation.

## FINANCIAL AID

You are able to check your financial aid status online via [www.udc.edu/register](http://www.udc.edu/register). You must have your User ID number and PIN (birthday—two-digit month, day and year) in order to access your account.

## PAYING FOR CLASSES

You will also be able to pay for your classes online. Once you have completed your registration for classes, there will be a “Pay Online” button, which will direct you to the secured payment site. (If an ID and password are requested, please use your Banner ID and password to log into the payment site.) **No need to stand in the financial aid line! Enjoy the flexibility of online access! If you are eligible for financial aid and funds have not posted, report to the Office of Financial Aid.**

## ACADEMIC GOOD STANDING FOR ALL FINANCIAL AID APPLICANTS & RECIPIENTS

### 1. Students Who Have Applied for and/or Received Aid

Students who have applied for financial aid but have not received a response for a valid Student Aid Report (SAR) should come to the Financial Aid Office to check their status. Failure to do so will cause your classes to be dropped for nonpayment if you have not made other arrangements with Student Accounts to pay your bill. All students who have received an award letter should review their bill to make sure that the financial aid on the financial statement agrees with the amount on the award letter. After registration, notify your financial aid counselor of any discrepancies. If you have your award letter, you do not need to contact the Financial Aid Office during the registration period.

### 2. Satisfactory Academic Classes

All undergraduate and graduate students who apply for financial aid will have their academic standards evaluated in accordance with the SAP policy, which is viewable and can be printed from the Financial Aid UDC website. Copies of the policy are available in the Financial Aid Office. Students who fail to meet the minimum standards could be in jeopardy of losing their financial aid.

### 3. Policy for Withdrawal and Unofficial Withdrawals

If you totally withdraw from school, the law states that the amount of Federal Student Aid Assistance you have “earned” up to the point of withdrawal must be determined by a specific formula. If you received more assistance than you earned, the excess funds must be returned. An unofficial withdrawal is when you stop attending classes and do not complete the Withdrawal Form in the registrar’s office located in Building 39, Room A-08. The amount of assistance you have earned is determined on a pro-rata basis. That is, if you completed 30 percent of the payment period or five weeks of classes, you earned 30 percent of the assistance you were originally scheduled to receive. The unearned portion must be repaid by the student. If you do not repay these funds to the University, you will be barred from the next registration period. Students who complete at least 60 percent of the payment period or 10 weeks of the semester earned the amount of the financial aid award. For additional information on this policy, please call 202.274.5060 or come to the Financial Aid Office in Building 39, Room 101.

### 4. Nonattendance

Any student who has unofficially withdrawn\* from the University and is a recipient of federal financial aid will be placed in overpayment status for the financial aid received. If a student stops attending class, the student must contact the registrar’s office to officially withdraw and notify the Financial Aid Office.

*\*Student who registers for classes but does not attend*

## REFUND AND RETURN OF TITLE IV FUNDS

**PURPOSE:** The purpose of this instructional notice is to state the University’s institutional policies and procedures, as well as the Federal guidelines, pertaining to the refund and return of Title IV funds.

Pursuant to Section 485 of the Higher Education Amendments of 1998 (P.L.105-244)

Section 484B of the HEA of 1965, amended \_ Statute enacted October 7, 1998 \_ NPRM PUBLISHED August 6, 1999 \_ Final Regulations published November 1, 1999

**BACKGROUND:** The federal guidelines for Title IV funds require that if a student withdraws or is expelled from the University that he may be required to return all or a portion of the federal Title IV funds awarded to him. If a recipient of Title IV aid (Pell grant, Supplemental Educational Opportunity grant, D. C. Leveraging Educational Assistance Partnership Program (formerly SSIG), National Direct Student Loan, Family Educational Loan Subsidized and Unsubsidized) withdraws during a payment period (i.e., a period of enrollment), the University must calculate the amount of Title IV aid the student earned. Unearned Title IV funds must be returned to the Title IV programs.

#### **PROCEDURES: Official Withdrawal Process**

Students wanting to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period) must do so by submitting the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-12).

**DETERMINING THE WITHDRAWAL DATE:** The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

#### **A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.**

#### **University's Responsibility to Return Title IV Funds and Order of Return**

**RETURN POLICY:** After notification by a student of his or her withdrawal from the University, the Office of Financial Aid has:

- 45 days to return Title IV funds
- 45 days to notify a student of grant overpayment requirements
- 45 days to notify a student of eligibility for post withdrawal disbursement
- 90 days to send post-withdrawal disbursement to a student and/or parent

The University assesses tuition, fees and books as allowable institutional charges in the calculation of the return of Title IV funds.

A student who totally withdraws from the University and receives a refund check may be in an overpayment status.

#### **Order of Return Policy:**

The University returns the lesser of unearned Title IV Aid or The University charges for the period times the percentage of Title IV aid that was unearned. The University must return Title IV funds to the programs from which the student received aid in the following order, up to the net amount disbursed from each source:

- Unsubsidized Family Educational Loan
- Subsidized Family Educational Loan
- Perkins loan
- PLUS loan
- Federal Pell grant
- Federal Supplemental Educational Opportunity grant
- Leveraging Educational Assistance Partnership Program (ACG/SMART grants) formerly SSIG
- Other assistance under Title IV

**Students' responsibility to return Title IV funds:** The student must return funds to the Title IV fund from which they were received. The student must return the net amount disbursed from each funding source. A student is required to repay 50 percent of the grant assistance he or she received.

The student (or parent, if a federal PLUS loan) returns funds to the loan programs in accordance with the terms of the loan and to grant programs as an overpayment. In other words, the student will be repaying any unearned loan funds in the same manner that he or she will be repaying earned loan funds. Grant overpayments are subject to a repayment arrangement satisfactory to the University or overpayment collection procedures prescribed by the secretary of the Department of Education.

**NOTE:** The student automatically retains eligibility for Title IV assistance for 45 days after the University sends the notification of a grant overpayment and request for repayment arrangements to the student.

**Procedures for collection of payment to student:** The student will be notified in writing within 30 days of the date of the University's determination that the student withdrew and a grant overpayment is due. The following repayment options are available:

- A) Pay in full within 45 days.
- B) Establish repayment arrangements with the University.
- C) Establish repayment arrangements with the Department of Education.

If the student defaults in the repayment agreement, the University will report within 30 days to the Department of Education and National Student Loan Data System (NSLDS) that the student is in overpayment status.

Students requesting additional information should contact the Office of Financial Aid, Building 39, Room 101, or call 202.274.5060.

#### **PAYMENT OPTIONS**

1. Tuition and fees are due and payable at the time of registration; if tuition and fees are not paid by the close of business the day of registration, courses will be dropped.
2. Tuition and fees may be paid by cash, certified check, money order, credit card (MasterCard, Visa or Discover only) or personal check, provided you have not presented an uncollectible check to the University in the past and the check signer presents a photo ID.

Students registering with estimated financial aid awards will be responsible for the payment of bills if awards are not approved.
4. Tuition may be remitted for all full-time employees of the University and their spouses and dependent children. Contact the Office of Human Resources for details and the Request for Remitted Tuition form.

## ENGLISH AS A SECOND LANGUAGE

Intensive courses in English as a second language are available for students whose primary language is not English. Admission to the program requires taking the Test of English as a Foreign Language (TOEFL), and the student's score determines placement at one of the four sequential levels. Students who score at least 550 on the written TOEFL, 213 on the computerized TOEFL, or 79 on the Internet-based TOEFL are not required to take ESL courses; however, they must take the ACCUPLACER (placement test) before registering for courses. For additional information regarding the English as a Second Language program, contact the appropriate program coordinator:

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. Education records are directly related to the student and are maintained by the University. Student educational records are confidential and will only be shared by University officials with other University faculty or staff or with lending agencies that have a legitimate interest to know certain information. 2. The right to request the amendment of education records the student believes to be inaccurate, misleading or otherwise in violation of his or her privacy rights
3. The right to limit disclosure of education records
4. The right to file with the US Department of Education a complaint concerning alleged failures by the institution to comply with the requirements of FERPA and the regulations. The complaint should be in writing and contain specific allegations of fact. The complaint should be sent to:

Family Policy Compliance Office  
US Department of Education  
400 Maryland Ave. SW  
Washington, DC 20202-5920

4. Student Request Form to Limit Disclosure of Directory Information
5. Student Consent Form for Access to Education Records

(34 CFR § 99.31)

## DISCLOSURE TO SCHOOL OFFICIALS WITH LEGITIMATE EDUCATIONAL INTERESTS

The University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including University law enforcement personnel and University health staff); a person or company with whom the University has contracted as its agent to provide

## ONLINE LEARNING AT THE UNIVERSITY OF THE DISTRICT OF COLUMBIA

UDC offers traditional face-to-face, online, and hybrid/blended courses. Fully online courses are currently offered in the College of Arts and Sciences, School of Business and Public Administration, and the Community College, while hybrid/blended courses are more widely found across the University. All of UDC's online courses offer the same high quality and rigor as traditional face-to-face or hybrid/blended courses and use Blackboard 9.1 as their course management system.

Regardless of a course format (online or hybrid), the online learning experiences will be innovative and collaborative. The virtual classroom experience is not self-paced or correspondence-based. Rather, online courses demand weekly or daily interaction. Students should expect to be actively engaged in deliberation, discussion and collaboration. All work will be submitted and delivered electronically by the deadlines established by the respective professors.

Rigorous and rewarding, online courses are equitable to traditional courses, and learning expectations are the same. Students must set aside time each day to read, participate and submit postings or assignments. The amount of

time needed for student participation will depend upon the requirements of the course as well as technological capacity. Online learning requires motivation, self-discipline and a strong ability for time management. **Online learners should log into their course(s) on the first day of the semester.**

**How do I register for online courses?** Step-by-step course registration information may be found in the Course Guide Schedule of Classes. The registration process is the same for traditional face-to-face, blended/hybrid and online courses.

**What are the technical requirements for online learning at UDC?** Please visit the Center for Academic Technology website to find information about basic technical requirements to support online learning: [lrdudc.wrlc.org/cat/online/tech-requirements.pdf](http://lrdudc.wrlc.org/cat/online/tech-requirements.pdf)

**What about technical support or online help during the semester?** If students need help, they may contact our 24/7/365 help desk: 202.274.5665, toll-free 877.736.2585 or via the Web: [helpdesk.lrdudc.wrlc.org/](http://helpdesk.lrdudc.wrlc.org/).

**Where do I access my online course(s)?** UDC uses Blackboard 9.1 as its course management system (CMS). Students may access Blackboard (Bb) at: [udc.blackboard.com](http://udc.blackboard.com).
