**DETERMINATION AND FINDINGS
FOR
SOLE SOURCE**

1. AUTHORIZATION

D.C. Official Code §2-354.01 (c); 8 DCMR, Chapter 30, Section 3019

2. MINIMUM NEED

The University of the District of Columbia has a need to procure the Hamilton C1 Non-Invasive Ventilator Package systems for the Respiratory Therapy Students.

3. ESTIMATED REASONABLE COST

The estimated cost for this contract is \$80,000.00.

4. FACTS WHICH JUSTIFY CONTRACT

5.

The HAMILTON-C1 Non-Invasive Ventilator will enable students in Respiratory Therapy, Nursing, Paramedic, and Allied Health programs to develop essential competencies in non-invasive respiratory support for both adult and pediatric patients. These skills are critical for employment in hospitals, emergency response settings, and outpatient care environments.

Contractor provides tailored medical service packages to meet individual needs, and online in-depth training sessions to provide assistance with student programs.

Hamilton-C1 model Non Invasive ventilator is a sole source product.

It is in the best interest of the University to meet its requirements from proposed Contractor.

5. CERTIFICATION OF FACTS BY CONTRACT SPECIALIST

I have reviewed the above findings and certify that they are sufficient to justify the Sole Source procurement contract under the cited authority. I recommend that the Contracting Officer approve this Contract.
