Mandatory Immunization Information Sheet

The District of Columbia Immunization Law requires that **all students age 26 and under (no matter how many credit hours they are enrolled in)**, provide proof of the immunizations listed on the UDC Mandatory Immunization Form. If you have received immunizations that do not fall into the immunization time frame (i.e. if a 2nd dose of a vaccine series was given prior to the required date, then a blood titer will be mandatory to show immunity.

SUBMISSION DEADLINES

DC law mandates that no student shall be admitted to attend classes unless the school has certification of immunizations for that student. All required students must have their completed UDC Mandatory Immunization Form submitted to University Health Services immediately following your acceptance to the university.

SUBMITTING THE MANDATORY IMMUNIZATION FORM

Immunization forms can only be submitted by one of the methods below. Submitting multiple copies of your immunizations records may delay the process. Records must be in English or accompanied by a notarized English translation, plus signed and stamped by the health care provider. The information from the immunization form should be entered online by the student into the *Immunization History for Health Portal* form under 'My Forms' in the Student Health Portal. You must also upload a health care provider, signed and stamped Mandatory Immunization Form, universal vaccine health certificate, and any blood titer results as a PDF. **Camera phone pictures will not be accepted.**

MEDICAL OR RELIGIOUS EXEMPTION

Religious exemption is permitted if the responsible person objects in good faith and in writing that the immunizations violate his/her religious beliefs. This form must be notarized with original copy submitted to UDC University Health Services. Medical exemption is permitted if a physician completes the appropriate form. The forms for religious and medical exemption can be downloaded here:

http://www.udc.edu/health_services/forms

- Students can upload a copy of their immunization records by logging on to the Student Health Portal at **udc.studenthealthportal.com** under 'Document Upload' after completing the *Immunization History for Health Portal* Form found under 'My Forms'.
- The information from the Mandatory Immunization Form or immunization record must be entered into the portal form.
- The Mandatory Immunization Form or immunization records may also be faxed to: 202-274-5411. Once you enter in your immunization information and upload the documents, we will send a secure message to your Student Health Portal after it has been reviewed.

*The University does not require physicals as requirement except for students in a health professions program or student athlete.
