

**Summer 2026**

**Additional Admission & Enrollment Info**

# Healthcare Pathway

**April 23**

**Healthcare pathway  
application packet  
pick-up deadline**

**May 8**

**Application documents  
submission & requirements  
deadline**

## More Details

**Healthcare pathway application requirements are required for the following healthcare pathway courses:**

Medical Office Administrative Assistant, Certified Nurse Assistant, Patient Care Technician, Phlebotomy Technician, Medical Assistant, Pharmacy Math/Technician, Health Information Technology, Billing & Coding

**Additional healthcare application requirements include:**

- Required proof of recent flu shot.
- Health Exam Form (physical within 1-year), PPD Test (within 1-year) or chest X-Ray (official clearance within last five years)
- Immunizations: MMR (measles, mumps, and rubella), Tdap (Tetanus, Diphtheria, Pertussis), Hepatitis B (must have started the 3-shot series), Chicken pox or varicella, and flu vaccine (October-February only);
- Global Investigative Services – Criminal Background report (receipt or actual report is acceptable with official global stamp, MPD police clearances are not accepted)
- CPR Certification: American Heart Association (BLS provider only — no other type of CPR is acceptable), and drug screening – 10 series (Negative results within 30 days prior to start of class)

All documents must be submitted at the time of registration. The university does not accept any partial documents.
