Greetings UDC student family: Happy end of the semester. Before you go, get in the know. If you booze you lose. Everybody knows that. Campaign 9:30 reinforces that message, every chance we get. The Counseling Center is inviting you to participate in our online alcohol education program.

You're off for the summer or you're graduating (CONGRATULATIONS!). Either way, you are still family. We care about our students and alumni.

This alcohol education and training program, Alcohol101+, is fun! You don't even have to come into the office.

It has interactive video and is really engaging.

So, here are the steps to participate:

1. Log onto http://www.alcohol101plus.org
2. Select: “Enter the Program” on the right at the gates
3. Select: Any of the modules on the left beginning with “Welcome” (Try to view them all).
4. Once you are done navigating the modules, at the top select: Student Evaluation
   You will need access code S65K1, last four of social security number and current semester and year. You may exit and reenter to return at a later time if you don’t complete it.
5. 20 minutes later, You're done.

Helpful Hint – you may also use the B4Drink Tutorial to get helpful insight on all of the modules before taking the student evaluation.

Note: You may also come and take the survey online in the Counseling Center. We are set up and ready for you to log-on.

Thanks for participating! Remember, Buzz driving is drunk driving. Have a great summer!
