Brief Description of Duties

Teaches graduate and undergraduate courses in mathematics and/or mathematics education.

Integrates technology in teaching courses.

Supervises student teachers and engages in other various scholarly activities that are expected of all faculty members.

Participates on departmental and university committees and in university activities; and performs community services and advises students.

Qualifications Required

Ph.D. or Ed.D in mathematics education or a closely related field. Familiarity with various strategies for teaching secondary school mathematics and the use of the computer and other technologies in teaching mathematics at the secondary school and collegiate level. Experience in preparing pre-service teachers in both the content of and methods for teaching mathematics.

All candidates will be considered without regard to race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, familial status, family responsibilities, matriculation, political affiliation, disability, source of income, place of residence or business.

(see reverse side)
The Residency Preference Amendment Act of 1988, D.C. Law 7-203, created a system which provides that any applicant for employment in the Career or Educational Services who is a bona fide resident of the District of Columbia may claim a residency preference at the time of application. An applicant selected for appointment based on District residency will be required to submit proof of bona fide District residency. Bona fide District residency must be maintained from the date of appointment to the position for five consecutive years.

This position is in the collective bargaining unit.

Please submit a curriculum vitae, official transcript, three letters of recommendation to:
