### Brief Description of Duties

Teaches undergraduate courses in pure and applied mathematics. Integrates technology in the teaching of courses.

Advises student; works on departmental and University committees; participates in University activities, and performs community services.

Teaches Saturday and evening class as required.

Position carries a three to four-course load per semester, is required to teach courses in lower division, including developmental courses.

Mentors students in majors on a continuing basis until the student graduate.

### Qualifications Required

Ph.D or equivalent in Pure or Applied Mathematics and demonstrated excellence in teaching is required. In addition applicant must have expertise in theoretical undergraduate mathematics (advanced calculus, modern algebra, complex analysis, etc). Particularly interested in candidates with facility in the use of the computer in teaching calculus and other mathematics courses, both upper division and lower division. Experience in teaching college level courses.

All candidates will be considered without regard to race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, familial status, family responsibilities, matriculation, political affiliation, disability, source of income, place of residence or business.

*(see reverse side)*
The Residency Preference Amendment Act of 1988, D.C. Law 7-203, created a system which provides that any applicant for employment in the Career or Educational Services who is a bona fide resident of the District of Columbia may claim a residency preference at the time of application. An applicant selected for appointment based on District residency will be required to submit proof of bona fide District residency. Bona fide District residency must be maintained from the date of appointment to the position for five consecutive years.

This position is in the collective bargaining unit.

Please submit a curriculum vitae, official transcript, three letters of recommendation to:
