# Job Opportunities

**University of the District of Columbia (UDC)**

**Position:** Assistant/Associate Professor  
**Salary Range:** Rank and Salary Commensurate with Qualifications  
**Location:** Van Ness Campus  
**Number:** 05-12  
**Closing Date:** Open Until Filled  

**Brief Description of Duties**

Teaches, advises and research in the broad areas of civil and environmental engineering including water quality, water resources, resource systems, resources assessment, and policy and management.

**Qualifications Required**

Ph.D in Civil or Environmental Engineering, specialization in the field of environmental engineering or a related field. Candidates with PE licensure, extensive laboratory experience, record of scholarship and funded research and effective communication skills are preferred.

All candidates will be considered without regard to race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, familial status, family responsibilities, matriculation, political affiliation, disability, source of income, place of residence or business.

The Residency Preference Amendment Act of 1988, D.C. Law 7-203, created a system which provides that any applicant for employment in the Career or Educational Services who is a bona fide resident of the District of Columbia may claim a residency preference at the time of application. An applicant selected for appointment based on District residency will be required to submit proof of bona fide District residency. Bona fide District residency must be maintained from the date of appointment to the position for five consecutive years.
