Building 41, A-Level Auditorium

for a special conference

“Women of the World, United:
Creating Opportunities for Global Change”

Joining us on this very special day will be women and men—including leaders from the world of politics, diplomacy, national and grassroots organizations, entertainment, and world organizations—and hopefully, YOU!

Together, we intend to examine the transnational and cross-cultural challenges confronting women and, therefore, their societies. Our goals are: to identify possible solutions to be drawn from our diverse cultures—and to establish the foundations for a Department of Women’s Studies, and a mentoring program.

Your participation and support will be critical to the discussions, decisions, and next steps that OIPE endeavors to help generate. If you have any questions or would like to discuss our plans for this important event, please contact Ambassador Denis Antoine, Director, Office of International Programs & Exchange, 202/274-5933, or dantoine@udc.edu.
