Scholarships at UDC

Named Endowed Scholarships

The UDC Foundation requires a minimum of $25,000 to establish a permanent named scholarship fund. Each year, the Foundation informs the donor or his or her family after the death of the donor, of the recipient(s) of the scholarship, and encourages the recipient(s) to send thank-you letters to the donor or donor’s family.

Named Term Scholarships

A donor may elect to fund and name a scholarship for one year or several years. This opportunity presents an effective solution for a deceased person’s member group or family wishing a memorial opportunity but lacking the ability to endow. The minimum such gift is $2,000 per year.
