

**FACULTY SENATE APPROVED  
ASPPC MOTION # 1  
(09/09/2014)**

**Whereas**, the faculty senate approved the following resolution on 1/14/2014;

**“THEREFORE BE IT RESOLVED THAT** the university administration, as a protocol in the system and in the spirit of shared governance, selects a chair recommended by the Faculty Senate.”

**Whereas**, the university’s administration in conversation with the Senate chair, Professor Clarence Pearson, “showed willingness to consider faculty senate appointed faculty member as a co-chair of the self-study group;” and

**Whereas**, the university’s administration appointed Professor Helene Krauthamer as a consultant to the self-study group; and

**Whereas**, the self-study group is currently chaired by two administrators, an assistant Dean and an Acting Dean; and

**Whereas**, in the spirit of shared-governance, a self-study is meant to be “bottom-up” and not “top-down;” and

**Whereas**, so far, all efforts have been unsuccessful in appointing a faculty senate appointed faculty member as co-chair of the self-study group; and

**Whereas**, self-study and reaffirmation of accreditation are so critical to the survival of the university;

**THEREFORE BE IT RESOLVED** that the university administration, as a protocol in the system and in the spirit of shared governance, appoint by 9/12/2014 a co-chair of the self-study group recommended by the Faculty Senate; and in the absence of this appointment,

**THEREFORE BE IT RESOLVED**, the Faculty Senate authorizes the Executive Committee of the Faculty Senate to seek appropriate avenues to resolve this matter as soon as possible, but no later than 9/30/2014.

**FACULTY SENATE APPROVED  
ASPPC MOTION # 2  
(09/09/2014)**

**Whereas**, the faculty senate approved the following resolution on 05/06/2014 from its Budget Committee;

**“THEREFORE BE IT RESOLVED**, that the University of the District of Columbia administration utilize exclusively the internal personnel resources of [governing bodies of]\* faculty, staff, and students and administration of the university in search processes for deans, the provost, and the president.”

Whereas, the university’s administration has not responded to this request; and

Whereas, the university’s administration seems to have ignored this recommendation from the Faculty Senate in its current search efforts of the Provost and the President;

**THEREFORE BE IT RESOLVED** that the university administration, as a protocol in the system and in the spirit of shared governance, follow through on the Senate recommendation of 5/6/2014 in terms of the search committees for academic appointments of Deans, Provost, and the president; and

**THEREFORE BE IT RESOLVED**, the Faculty Senate authorizes the Executive Committee of the Faculty Senate to appoint appropriate number of faculty members to the various search committees at the earliest possible time.
