Order of Business
The Chair called on Committee Chairs to provide their reports.

Committee Reports

- Charter and By-laws Committee - No Report

- Academic Standards, Programs and Policies Committee (ASPPC)

  BA Human Development

  The Committee, chaired by M. Petti, was asked to consider a new program, the Bachelor of Arts in Human Development. Committee members raised a number of questions or concerns including the source of the program proposal; potential conflict with existing Early Childhood Program; and student interest. The Committee was advised during the meeting that there were students in the pipeline and faculty identified to teach them. Other concerns as to accreditation were also answered.

  The ASPPC moved to approve the program proposal with technical changes and the Senate approved unanimously.
ASPPC Chair Petti reminded the Senate and observers that materials for new programs must be forwarded in advance for proper review and consideration.

- Graduate Council - No Report
- Admission & Retention Committee – No Report

Adjournment
The April 2010 meeting of the IAS was adjourned upon proper motion made at 3:20 pm.
