Each academic year, chartered and recognized clubs and organizations have the opportunity to submit a budget proposal to the Division of Student Affairs, Office of Student Life and Service. While clubs and organizations have the autonomy to develop budgets that is suitable to their needs and specific activities, all budget proposals must include the following:

✓ A budget narrative that thoroughly explains budget spending plan. Narrative should also include documentation for such events as conferences, membership fees for national organizations, and other events/activities that require a specific funding amount.

✓ Calendar of events-calendar of events should reflect budget narrative.

Clubs and organizations are guided to attend the Fall Club and Organization Orientation and Budget Call sponsored by Student Life and Services prior to budget proposal submission. This will ensure that clubs and organizations are current on club and organization operational and financial procedures. Clubs and organizations can also consult the Office of Student Life and Services, Student Activities for assistance in budget development. Forms are located on the Student Life and Services Website, [www.udc.edu/student_life](http://www.udc.edu/student_life).
