

BOARD OF TRUSTEES
UNIVERSITY OF THE DISTRICT OF COLUMBIA
UDC RESOLUTION NO. 2009-16

SUBJECT: AMENDMENTS TO FEE STRUCTURE – PROPOSED RULEMAKING

WHEREAS, District of Columbia law (D.C. Official Code §38-1202.06(8)) provides for the Board of Trustees of the University of the District of Columbia to fix tuition, and fees in addition to tuition, to be paid by resident and nonresident students attending the University; provided, that such tuition and fees are adopted by the Trustees in accordance with the provisions of D.C. Official Code §2-505(a); and

WHEREAS, the Board of Trustees has promulgated a substantially revised schedule of tuition and fees for students at its four-year and community college components; and

WHEREAS, two (2) of the fees, the Student Health Insurance fee and the Tuition Management System fee, are not subject to the control of the Board of Trustees, but are instead set by external providers; and

WHEREAS, because the two (2) above-referenced fees are not subject to the control of the Board of Trustees, it is not appropriate to include them on a fixed-cost basis as part of the University System fee schedule;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the University of the District of Columbia hereby adopts the attached Notice of Proposed Rulemaking amending the tuition and fee schedule to indicate that the student health insurance and Tuition Management System fees are variable; and

BE IT FURTHER RESOLVED the General Counsel is hereby directed to publish the Notice of Proposed Rulemaking in the District of Columbia Register as soon as is practicable for a comment period of not less than thirty (30) days, in accordance with the provisions of D.C. Official Code § 2-505(a).
