deadline**

More Details

Additional healthcare pathway application requirements are required for the following healthcare pathway courses: Dialysis technician, direct support professional, EKG technician, Nurse Assistant, Patient Care Technician, Pharmacy Technician, and Phlebotomy Technician

Additional healthcare application requirements include:

- Required proof of recent flu shot.
- Health Exam Form (physical within 1-year), PPD Test (within 1-year) or chest X-Ray (official clearance within last five years)
- Immunizations: MMR (measles, mumps, and rubella), Tdap (Tetanus, Diphtheria, Pertussis), Hepatitis B (must have started the 3-shot series), Chicken pox or varicella, and flu vaccine (October-February only);
- Global Investigative Services – Criminal Background report (receipt or actual report is acceptable with official global stamp, MPD police clearances are not accepted)
- CPR Certification: American Heart Association (BLS provider only — no other type of CPR is acceptable), and drug screening – 7 series (Negative results within 30 days prior to start of class)

All documents must be submitted at the time of registration. The university does not accept any partial documents.
